# Virtual “TOGETHER AGAIN” MIXER!

Join the Chamber Board of Directors, members and businesses and get “Together Again” virtually on August 12, 2020. This is our first time to see each other since March 12th!

Grab your favorite beverage - glass of wine, beer, iced tea or drink of your choice and let's connect! This is the perfect opportunity to see each other via Zoom. Let's meet our new members, catch up on what's been going on in our lives and “Get Together Again.”

Let's celebrate this evening and get together!
