La Mesa, California, April 17, 2021: On Tuesday, April 20, 2021 the La Mesa Chamber of Commerce invites you to join them at the Grand Opening of EMBR Dispensary and celebrate this new 35,000 square-foot dispensary in La Mesa, making it the largest dispensary in San Diego county. The “official” ribbon cutting will take place at 10:00 a.m. The redevelopment of the property at 8300 Center Drive is now a reality. The EMBR Dispensary prides itself on offering high quality cannabis products with competitive prices and a wide variety of edibles, topicals, concentrates and more, as well as offers curbside pick-up in addition to in-store shopping. Health and safety measures are followed to keep customers and employees safe. Social distancing is enforced, masks are required to be worn by staff and customers, hand sanitizer is provided, and temperature checks are conducted.

Join us and meet the owners Katrina and Rob McKinley and Sonny Langdon. The staff will be on hand to welcome you as well, General Manager, Isaac Romero and Assistant General Manager, Ed Medrano, along with Facility Developers, Joaquin and Sarah Morelli. They have chosen to host the grand opening of EMBR Dispensary on April 20th - a significant day for thousands of Americans who gather across the country to celebrate marijuana and a holiday to promote the industry and its products. We encourage you to join us at this grand opening and ribbon cutting at EMBR Dispensary located at 8300 Center Drive in La Mesa.
