The Outstanding Benefits La Mesa Chamber Members Receive

Enhance Your Credibility

Statistics show businesses that are members of or active in a local Chamber of Commerce are 29% more effective in communicating that the company uses good business practices. Statistics also state that consumers who learn of a company's involvement/membership with its local chamber are 19% more likely to think favorably of that company.

Each member receives a Chamber Member Plaque that can be proudly displayed in your place of business to show your community support and involvement, and give your business added credibility to reinforce consumer confidence.

Members can also display a virtual plaque on their website!

Referrals

The Chamber receives numerous requests from visitors, newcomers, and residents for recommendations on goods and services in La Mesa. In response to these inquiries, we exclusively recommend our Chamber members.

Chamber Website & Business Directory

Membership includes a free personalized member page on our website's Chamber Member Directory. Members can also post job openings, specials, and events on the Chamber Events calendar.

Networking

Create new, rewarding friendships and business relationships through ribbon cuttings, mixers hosted by different member businesses, breakfast meetings, fundraising activities and community events. Exchange business cards and ideas and get to know other members in a fun and relaxed atmosphere. Plus, there's always food and prizes!

Publicity & Exposure

Members are encouraged to put company-related materials on display in our office, thus giving their business exposure to residents and visitors stopping in. Additional ways for members to promote their products and services to the public include placing banners on our website, ads in the City of La Mesa Map and various brochures, or buying our Chamber Members Mailing List to use for your targeted marketing plan. Sponsoring our events yields high visibility and advertising value – your name and/or logo will be prominently displayed on almost all media related to the event, including newsletters, flyers, programs, our website, social media outlets, and more. Several events each year, such as our Business Expos, give members additional opportunities to promote their business.

Advertising & Marketing

Members are able promote their products and services to the public in many ways, such as inexpensive banner advertising on our Chamber website and advertising in our official City of La Mesa Map. Our map allows members to be included in a great business resource for visitors and residents, and is distributed through local businesses, the La Mesa Library and City Hall, other venues and in our relocation packets. Members may also purchase our Chamber Members Mailing List to use for their targeted marketing plan. Sponsoring our events yields high visibility and advertising value – a member's business name and/or logo will be prominently displayed on almost all media related to the event, including newsletters, flyers, programs, our website, social media outlets, and more. Several events each year, such as our Business Expos, give members additional opportunities to promote their business.

Grand Openings & Ribbon-Cutting Ceremonies

Upon request, new and existing businesses receive a ribbon cutting for grand openings, ground-breaking ceremonies, or special anniversaries. Events receive publicity by local media as well as exposure on Chamber mediums such as our email blasts, website, social media outlets, and more.

Communication

Weekly email blasts keep members updated on upcoming events, news, and information, including new laws, relevant to business owners and managers. Our blasts also highlight member events, Hot Deals, Member-To-Member discounts, sponsorships, and more. We will also remind and help keep businesses in compliance with mandatory State and Federal Labor Law posters and other compliance items through our OSHA Store at discount prices.

Special Events

Special events organized by the Chamber raise non-dues revenue to expand and improve services to our members.

These events bring more business to our community, honor outstanding achievements of local heroes, and provide marketing opportunities for our members. Some events the Chamber hosts are our Salute to Local Heroes, Taste of La Mesa, and the La Mesa Oktoberfest.

Member Discounts

Members receive discounts from other members through the Member-To-Member Discount Program. Members who offer special services and discounts to other members through our Member-to-Member Discount Program find it a great way to generate business, let other Chamber Members know where they are, and build great relationships.

Business Advocacy

We are the "Voice of La Mesa Business" at City Hall, the State Capitol, the Federal level or wherever we are needed.
